Norwich, Friday, March 1, 1912.

The Circulation of The Bulletin.

The Bulletin has the largest circulation of any paper in Eastern times larger than that of any in Norwich. It is delivered to over 3,000 of the 4,653 houses in Norwich, and read by ninety-three per cent. of the people. In Windham it is delivered to over 900 houses. in Patuem and Duntelson to over 1,190, and in all of these places to is considered the local duity.

Emstern Connecticut has forty nine towns, our hundred and sixtyfive postoffice districts, and sixty rural free delivery routes.

The Bulletin is sold in every town and on all of the R. F. D. conteg in Eastern Connecticut.

Every New

The question of an even division of the athletic managerships between Academic and Sheff, the same old problem that makes its appearance egularly from one year to another, at this time, cropped up again this week. The question furnished the matter for in unusually interesting university de-late, and the views of both sides were dired freely as to the salvisability of ary Wilson refuse to grant such a putting the managerships of the four

putting the managerships of the four impor sports on a competitive basis open to members of both departments.

The problem is to create a better feeling between Sheff, and Academie than that which has existed in the past, and at the same time to fill the managerships with the best men possible. On one hand, there is the claim that to avoid class politics, which was affirmed by the upholders of the affirmative to be one of the worst abuses in Yale college life, a competition was ir. Yale college life, a competition was necessary. This would also de away with election of men on prep. school

potations.
The negative made the point that ot only should train and push be considered in the men that manage the cams, but that the representatives of Yale in athletic should be typical c ege men, with personality as well rains. This they maintained won The country has no doubt who Coinot be secured in a competition, which
